Learning is fun in a lively atmosphere that caters to the individual child's ability. Work will take place in our air-conditioned studios as well as the outdoor gardens.

Session 1: (Summer Art Camp)

June 26 – June 30

Learn all about Art History while creating your very own masterpieces. Campers will learn all about famous artists from different time periods and will have the chance to create their own art inspired by the artists while learning new techniques. Campers will paint, draw and sculpt.

Cost: \$250, materials included.

Session 2: (Adventures in Cooking)

July 10 – July 14

Cooking is fun! Campers will learn a different culinary treat each day, with chocolate-making on the menu. The class is a hands-on experience. Each child must bring a cutting board and vegetable peeler.

Cost: \$285, materials included.

Session 3: (Drawing, Painting & 3-D Art Creations)

July 17 – July 21

Using a variety of art mediums campers will create drawings, paintings and 3-dimensional artwork in a multitude of different styles. The sky's the limit with the endless possibilities of art, bring your creativity and get ready to have fun!

Cost: \$250, materials included.
